FREQUENTLY ASKED QUESTIONS

When can I join the Fund?

Fund Membership is effective from the first day of the month. Applications should preferably be received two weeks before the joining date to go through the approval process. If the application is only received during the month of joining (e.g. the 10th of January for the 1st of January) an arrangement should be made on how the outstanding payment will be settled since contributions are payable one month in advance.

What do pro-rated benefits mean?

As the Fund's benefit year is from 1 January to 31 December, any Member who joins during the benefit year may receive pro-rated benefits at joining and on termination. That means that your annual limits on benefits may be calculated according to the number of months left in the benefit year.

When can I change my benefit option?

Members are allowed to change benefit options once annually, effective from the 1st of January each year. The closing date for all option changes is the 31st of January.

What are pre-existing conditions?

A pre-existing condition is any medical-related condition and/or symptom for which treatment was received before joining with long term consequences. A 12-month exclusion period may be placed on such conditions, meaning that all costs incurred on any related symptoms and/or treatment will not be covered during this period.

What are co-payments and how can you prevent it?

Co-payments are the difference between the amount claimed by your Health Care Provider (doctor, specialist, dentist, hospitals, pharmacies etc.) and what your Medical Aid Fund pays. The Medical Aid Fund pays 100% of the NAMAF (Namibian Association of Medical Aid Funds) rates. Members can avoid co-payments by making use of service providers who charge the NAMAF tariff.

CLAIMS INFORMATION

When should you submit claims?

All claims should be submitted within 4-months from the date on which the service was rendered, otherwise, you may lose your right to payment in respect of these claims.

Do I receive immediate cover if I join the Fund and can I claim immediately?

There may be a waiting period of 3-months before you are covered for full benefits. A waiting period may apply if you were not a member of a registered medical aid fund for at least two years previously, and the break-in membership between leaving your previous fund and joining RMA is more than 3-months.

Am I covered while travelling abroad?

All Members have International Travel Cover included in their Medical Aid benefits, which is underwritten by Hollard Insurance. Members may contact client service for assistance with regard to travel cover.

MEMBERSHIP INFORMATION

May I still continue with my Medical Aid as an Individual Member or retiree?

If a member has been on the Fund through their employer and leaves the employer, they may continue with their cover as an Individual Member or retiree

Can the dependants remain on the Fund if the principal member passes on?

Beneficiaries (spouse and children) of deceased members, who are registered with the Fund at the time of the Principal Member's death, are entitled to remain as Members on the Fund. The family should inform the Fund in writing within 30-days of the Principal Member's death.

Up to what age may my child be on my Medical Aid as a child dependant?

Your child may be a dependant up to the age of 27 years - there after they may join as Principal members under group rate 1. New members joining with a child over the age of 21 will need to submit proof of financial dependence on the parent.

♦ When are my contribution payments due?

Monthly payments are payable in advance by no later than the 7th of every month. All debit order payments are deducted on the 1st of every month, except if it falls on a weekend or public holiday. In this case, the debit order may be deducted on the following working day.

What will happen if I fail to pay my monthly contributions?

The Fund may suspend the payment of claims if you are more than 30-days behind. The Fund may terminate your Membership if your contributions are in arrears for more than 90-days.

May I be a member of more than one (1) Medical Aid Fund?

In terms of the Medical Aid Funds Act, no person shall be admitted as a member of more than one registered Fund, being either as the principal member or as a dependant.

What should I do when my membership card is lost or stolen?

Should a Membership card be stolen or lost the member must inform the Fund immediately. Failing to do so, the Member could be held personally liable for any expenses incurred due to fraudulent use.
